# TOWNSHIP OF PLUMSTED

Municipal Utility Authority

121 Evergreen Rd

New Egypt, NJ 08533

609-758-2241

## INTRODUCTION

The Plumsted Township Municipal Utilities Authority, (the "Authority") was created for the purpose of acquiring or constructing water treatment facilities and a distribution system to provide an adequate supply of water and to acquire and/or construct sewer facilities for the collection and treatment of sewerage within the Township of Plumsted, New Jersey.

The Authority has no taxing power. Operating costs are funded from customer fees and connection fees. The cost of capital assets are funded by contributions from customers, including developers, federal and state grants, customer revenues and issuance of debt.

The Authority consists of five members and two alternate members who act as the Board of Directors. One member is appointed by the municipal governing body each year to staggered five year terms. The members annually select its members to serve as chairperson, vice-chairperson, treasurer, secretary and assistant treasurer. The chairperson, or in his or her absence, the vice-chairperson presides over the meetings.

The members are also responsible for annually appointing an attorney, engineer, auditor and secretary, along with other special counsels or consultants as deemed appropriate.

The Authority is pleased to present its Annual Financial Report prepared in compliance with Statements of Governmental Accounting Standard No. 34, entitled "Basic Financial Statements and Management's Discussion and Analysis - For State and Local Governments (GASB 34)", and related standards.

The Authority has prepared and is responsible for the financial statements and related information included in the annual report. A system of internal accounting controls is maintained to provide reasonable assurance that Authority assets are safeguarded and that the books and records reflect only authorized transactions. There are limitations in any system of internal controls. However, based on recognition that the cost of the system should not exceed its benefits, management believes its system of internal accounting controls maintains an appropriate cost/benefit relationship.

The system of internal accounting controls is evaluated on an ongoing basis by the Authority's financial staff. Independent external auditors also consider elements of the internal control system in order to determine their auditing procedures for the purpose of expressing an opinion on the financial statements.

In the Authority's opinion, the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Authority in conformity with accounting principles generally accepted in the United States of America.

The unqualified opinion of our independent auditor is included in this report.

## INDEPENDENT AUDITOR'S REPORT

Chairman and Authority Members  
Plumsted Township Municipal Utilities Authority  
121 Evergreen Road  
New Egypt, NJ 08533

We have audited the accompanying financial statements of the Plumsted Township Municipal Utilities Authority (the "Authority"), in the County of Ocean, State of New Jersey, as of and for the years ended June 30, 2010 and 2009, which collectively comprise the Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Authority's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of June 30, 2010 and 2009, and the respective changes in financial position and cash flows, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2010, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Auditing Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's financial statements as a whole. The introductory section and supporting schedules, listed in the table of contents, are presented for the purposes of additional analysis and are not a required part of the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The introductory section listed in the table of contents has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

## Management's Discussion and Analysis

The discussion and analysis is designed to provide an analysis of the Authority's financial condition and operating results and to also inform the reader on Authority financial issues and activities.

The Management's Discussion and Analysis (MD&A) should be read in conjunction with the Transmittal Letter (beginning on page 1) and the Authority's basic financial statements (beginning on page 10).

### **USING THIS ANNUAL REPORT**

The financial statements included in this annual report are those of a special-purpose government engaged only in a business-type activity. As enterprise funds, the Authority's basic financial statements include:

- **Statements of Net Assets** - reports the Authority's current financial resources (short-term spendable resources) with capital assets and long-term obligations. (Exhibit A)
- **Statements of Revenues, Expenses and Changes in Net Assets** - reports the Authority's operating and non-operating revenues, by major source along with operating and non-operating expenses and capital contributions. (Exhibit B)
- **Statements of Cash Flows** - reports the Authority's cash flows from operating and non-operating activities, capital and related financing activities and investing activities. (Exhibit C)

### **STATEMENTS OF NET ASSETS**

Years Ended June 30,	<u>2010</u>	<u>2009</u>
Assets:		
Current Assets:		
Unrestricted Assets	\$ <u>32,439</u>	\$ <u>6,895</u>
Total Assets	\$ <u>32,439</u>	\$ <u>6,895</u>
Liabilities:		
Current Liabilities:		
Unrestricted Current Liabilities	\$ <u>12,175</u>	\$ <u>1,100</u>
Total Liabilities	\$ <u>12,175</u>	\$ <u>1,100</u>
Net Assets:		
Unrestricted	\$ <u>20,264</u>	\$ <u>5,795</u>
Total Net Assets	\$ <u>20,264</u>	\$ <u>5,795</u>

The net assets of the Authority increased to \$20,264 during 2010, an increase of \$14,469 when compared to 2009. The increase was due to additional funds received from Plumsted Township

## REVIEW OF REVENUES

Years Ended June 30,	<u>2010</u>	<u>2009</u>
Operating Revenues:		
Other Operating Revenues	\$ <u>300</u>	\$ <u>300</u>
Total Operating Revenue	<u>300</u>	<u>300</u>
Non-Operating Revenues:		
Local Subsidies and Donations	<u>301,810</u>	<u>2,500</u>
Total Non-Operating Revenues	<u>301,810</u>	<u>2,500</u>
Total Revenues	\$ <u>302,110</u>	\$ <u>2,800</u>

In 2010, operating revenues remained unchanged and non-operating revenues increased by \$299,310 when compared to 2009. Total revenues increased by \$299,310 from those of the previous year. Changes in other operating revenues are a function of the number and type of applications filed while changes in local subsidies and donations depend upon what expenses the Township covers through its budget appropriation.

## REVIEW OF EXPENSES

Years Ended June 30,	<u>2010</u>	<u>2009</u>
Operating Expenses:		
Administration	\$ <u>287,641</u>	\$ <u>1,808</u>
Total Expenses	\$ <u>287,641</u>	\$ <u>1,808</u>

The Authority's operating expenses increased by \$285,833 in 2010 when compared to 2009. The increase was due to additional expenses for the investigation of a proposed sewer service plan to the Township's redevelopment areas.

## CAPITAL ASSETS AND DEBT ADMINISTRATION

### Capital assets, net of depreciation

None

### DEBT OUTSTANDING

None

## FINANCIAL CONTACT

The Authority's financial statements are designed to present users (water-sewer users, ratepayers and creditors) with a general overview of the Authority's finances and to demonstrate the Authority's accountability. If you have any questions about the report or need additional financial information, please contact the Secretary, Plumsted Township Municipal Utilities Authority, 121 Evergreen Road, New Egypt, NJ 08533.

**PLUMSTED TOWNSHIP MUNICIPAL UTILITIES AUTHORITY**

**(A COMPONENT UNIT OF THE TOWNSHIP OF PLUMSTED**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED JUNE 30, 2010**

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Reporting Entity**

The Plumsted Township Municipal Utilities Authority (the "Authority"), a public body corporate and politic of the Township of Plumsted, County of Ocean, State of New Jersey, was organized and exists under the Municipal and County Utilities Authorities Law, constituting Chapter 183 of the Pamphlet Laws of 1957, of the State of New Jersey, and the acts amendatory and supplemental thereto. The Authority was created by virtue of an ordinance of the Mayor and Committee of the Township of Plumsted adopted June 29, 1990. The Authority members are appointed by the Township Committee for terms of five years.

GASB Statement 14 established criteria to be used to determine which component units should be included in the basic financial statements of the oversight entity. In accordance with this statement the Authority is a component unit of the Township and should be reported in the financial statements of the Township. However, the Bureau of Authority Regulation, Department of Community Affairs, ("DCA") State of New Jersey requires that the financial statements of the Authority and Township be reported separately.

**B. Basis of Accounting**

The basic financial statements of the Authority have been prepared in conformity with accounting principles generally accepted (GAAP) in the United States of America as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

Financial Accounting Standards Board (FASB) Statements for private-sector accounting and financial reporting issued prior to December 1, 1989, generally are followed in the basic financial statements to the extent that those standards do not conflict with or contradict guidance of GASB. The Authority also has the option of following subsequent FASB statements subject to this same limitation. The Authority has elected not to follow subsequent FASB statements.

The Authority is a special purpose government engaged only in business-type activities. For these governments, only enterprise fund financial statements are presented.

In June 1999, the GASB adopted its Statement No. 34 "Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments." The adoption of Statement No. 34 required the Authority to make several changes to the presentation of its basic financial statements in addition to requiring the presentation of the Authority's Management's Discussion and Analysis (MD&A). MD&A is considered to be required supplemental data and precedes the financial statements.

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**C. Budgets**

Budgets which are required by state statute are adopted in accordance with regulations promulgated by the Bureau of Authority Regulation (the "Bureau"). An annual appropriated budget is adopted for the operations of the Authority, subject to approval by the Bureau.

**D. Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and make disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**NOTE 2. CASH AND CASH EQUIVALENTS**

**A. Deposits**

New Jersey statutes permit the deposit of public funds in institutions located in New Jersey which are insured by the Federal Deposit Insurance Corporation ("FDIC"), or by any other agencies of the United States that insure deposits or the State of New Jersey Cash Management Fund.

New Jersey statutes require public depositories to maintain collateral for deposits of public funds that exceed insurance limits as follows:

The market value of the collateral must equal five percent of the average daily balance of public funds; or

If the public funds deposited exceed 75 percent of the funds of the depository, the depository must provide collateral having a market value equal to 100 percent of the amount exceeding 75 percent.

All collateral must be deposited with the Federal Reserve Bank, the Federal Home Loan Bank Board or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.

**B. Investments**

a. When authorized by a cash management plan approved pursuant to N.J.S. 40A:5-14, the Authority may use available funds for the purchase of the following types of securities which, if suitable for registry, may be registered in the name of the Authority:

- (1) Bonds or other obligations of the United States or obligations guaranteed by the United States.
- (2) Government money market mutual funds.

**NOTE 2.      CASH AND CASH EQUIVALENTS (CONTINUED)**

**B.      Investments (Continued)**

- a.      (3)      Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependent on any index or other external factor.
- (4)      Bonds or other obligations of the Township, or bonds or other obligations of the school district of which the Township is a part or within which the school district is located.
- (5)      Bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, approved by the Division of Investments, New Jersey Department of the Treasury.
- (6)      Local government investment pools.
- (7)      Deposits with the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c. 281; or
- (8)      Agreements for the repurchase of fully collateralized securities, if:
- (a)      the underlying securities are permitted investments pursuant to paragraphs (1) and (3) of this section;
- (b)      the custody of collateral is transferred to a third party;
- (c)      the maturity of the agreement is not more than 30 days;
- (d)      the underlying securities are purchased through a public depository as defined in section 1 of P.L. 1970, c. 236 (C.17:9-41);
- (e)      a master repurchase agreement providing for the custody and security of collateral is executed.

b.      Any investment instruments in which the security is not physically held by the Authority shall be covered by a third party custodial agreement, which shall provide for the designation of such investments in the name of the Authority and prevent unauthorized use of such investments.

c.      Investments are further regulated and restricted in accordance with N.J.S. 40A:5-15.1.

Other than cash equivalents that would otherwise qualify as investments, except for their maturity or their withdrawal provisions, the Authority had no investments in qualified securities at June 30, 2010.

**C.      Cash Management Plan**

In accordance with N.J.S. 40A:5-14, every authority shall adopt a cash management plan and shall deposit and invest its funds pursuant to that plan. The plan shall be approved annually by majority vote of the members and may be modified from time to time in order to reflect changes in federal or state law or regulations. The executive director shall be charged with administering the plan

The Authority did not adopt a cash management plan for the year ended June 30, 2010.

## **NOTE 2. CASH AND CASH EQUIVALENTS (CONTINUED)**

### **C. Cash Management Plan (Continued)**

When an investment in bonds maturing in more than one year is authorized, the maturity of those bonds shall approximate the prospective use of the funds invested.

The plan also requires a monthly report to the governing body summarizing all investments made or redeemed since the previous report and shall include, at a minimum, the specific detailed information as set forth in the statute.

### **D. Credit Risk Categories**

All bank deposits and investments as of the balance sheet date are classified as to credit risk by the following categories described below:

<u>Depository Account</u>	<u>Bank Balance</u>	
	<u>2010</u>	<u>2009</u>
Insured:		
FDIC	\$ <u>23,439</u>	\$ <u>2,064</u>

#### **Custodial Credit Risk - Deposits**

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a formal policy for custodial credit risk.

State law limits investments as noted above.

During the year, the Authority had none of its idle funds invested in repurchase agreements collateralized by eligible securities. At the close of the year, no such investments were held by the Authority.

At year-end the carrying amount of the Authority's deposits was \$23,439 and the bank balance amount was \$23,439. The total amount of \$23,439 was covered by federal depository insurance.

## **NOTE 3. INTERIM SHARED SERVICES AGREEMENT**

On September 22, 2009, the Authority entered into an Interim Shared Services Agreement with the Township of Plumsted. The purpose of the agreement was to authorize the Authority to investigate a proposed sewer service plan for the Township's redevelopment areas. In accordance with the agreement, "the parties intend that the repayment of funds provided by the Township to the PMUA will be determined and provided for in the Final Agreement to be executed between the parties". As a result of this agreement the Authority may be responsible for the repayment of expenses that were incurred for the investigation of the proposed sewer service plan.

## **NOTE 4. CONTINGENT LIABILITIES**

### **Pending Litigation**

It is the opinion of the Authority officials that there is no litigation threatened or pending that would materially affect the financial position of the Authority or adversely affect the Authority to levy, collect and enforce the collection of other revenue for the payment of its obligations.

## **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING**

### **AND ON COMPLIANCE AND OTHER MATTERS BASED ON**

### **AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN**

### **ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Chairman and Authority Members  
Plumsted Township Municipal Utilities Authority  
121 Evergreen Road  
New Egypt, NJ 08533

We have audited the financial statements of the Plumsted Township Municipal Utilities Authority (the "Authority"), as of and for the years ended June 30, 2010 and 2009, which collectively comprise the Authority's basis financial statements, and have issued our report thereon dated August 12, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

### **Internal Control Over Financial Reporting (Continued)**

Our consideration of internal control over financial reporting was for the limited purposes described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. We noted certain matters that we reported to management of the Authority in a separate report dated August 12, 2010. We noted certain matters that we reported to management of the Authority in the comments and recommendations section of this report and in a separate letter dated August 12, 2010.

This report is intended solely for the information and use of the Authority's management and the Authority Members, others within the organization, and the Division, and is not intended to be and should not be used by anyone other than these specified parties.

*William E. Antonides and Company*  
Independent Auditors
