Mayor Trotta asked for any old or new business from the Committee.

Mayor Trotta said there were corrections to the November 14, 2016 Budget Workshop meeting. In the minutes where it states in part, “Board of Education will make money by the end of the year on the SROs but next year it will be lowered and the amount lowered \$38,400 because of pending legislation for Special 3’s in the schools rather than SROs. There was a discussion regarding State Aid for school funding.” The comments were made by June Madden, CFO, but the comments are being changed to “Regarding the Board of Education, we will make our monies before the end of the year on SROs but for next year you will see I have lowered the amount to \$38,400. As of right now I do not have any work on any grants so all of the grants that were received for 2016 are listed there.”

Mayor Trotta said what she meant was still not clear because we were at the meeting and the Committee knew what she meant, but people reading the minutes do not understand. The agreement we have with school is revenue neutral for the SROs. So when it says make money, it does not mean either side going to profit from this, what she meant was the money that we were owed or the school was owed would be paid before the end of the year so that we were revenue neutral, but that was not how it was perceived when someone read it, so a correction was being made in public on that.

ON MOTION OF COMMITTEEMAN MARINARI, SECONDED BY DEPUTY MAYOR SORCHIK, THE CORRECTION ON THE MINUTES OF NOVEMBER 14, 2016 BUDGET WORKSHOP MEETING WAS AMENDED. ROLL CALL VOTE: ALL AYES.

Mayor Trotta asked for public comment.

Pat Ahearn of 8 Lawrence Drive had a question regarding the mandatory sewer hookup and asked when will the homeowners find out what that charge would be. Mayor Trotta said there were estimates at this time. This will be known after the PMUA adopts their Rules and Regulations. He said it depends on how far the house is from the road and the estimate is anywhere between \$4,000 and \$6,000. He suggested reaching out to Peter Ylvisaker, Executive Director of the MUA, who will advise you if sewers were going down Alton Road. It was explained that the ordinances introduced at this meeting regarding the financial incentive program and the mandatory hookup requirement will have a second reading and public hearing at the May 3rd Township Committee Meeting before they are adopted.

Mayor Trotta returned to Executive Session to finish a couple of items. There may be official action.

ON MOTION OF COMMITTEEMAN MARINARI, SECONDED BY DEPUTY MAYOR SORCHIK, THE COMMITTEE RETURNED TO EXECUTIVE SESSION: ROLL CALL VOTE: ALL AYES
